Brenda Snyder
1971

The year is 1971 and we can feel the pressures that have mounted in a world that forces us to determine our values and ideals. We hold in our memories the terrifying tragedies of assassination, war, racial tension and the glorious achievements of heart transplants and men-on-the- moon. Yet throughout these years of world-wide tension we can even feel pressure of a different kind — that of a student, and each year the pressure has shifted to a different outlook of our goals. So, we have kept the center of attention within ourselves and our immediate surroundings. That is the subject of this book, the focal point of our interest — FHS in 1971.

To Brenda,
You a real nice
girl who is real
quiet. Remember all
the fun times we're had in
chorus and Geography good luck in
the future with the boys and all the
rest of the stuff there is.

I find the great thing in this world is not so much where we stand, as in what direction we are moving.

You have to make the
good times yourself, take
the little times and make
them into big times and
save the times that are
alright for the ones that are
not so good . . .

To a real nice girl that
I stick up for in Study HALL.
Don't forget all the
fun we had in Study HALL.
And all the pests too!!!
Don't forget the time
you were mad at Connie
(And still are)
BUT
most of all
remember me!

We've only just begun to live . . .

Before the rising sun we fly,
So many roads to choose
We start out walking and learn to run.
And yes, we've just begun . . .

So much of life ahead
We'll find a place where there's room to grow,
And yes, we've just begun.

This is your life you're living,
And it's the only one you've got.
It's your life you're giving,
Don't you think it's time you asked yourself,
"For what?"
Jimmy Webb

Homecoming 1970

The rain on the evening of October 16, 1970, did not dampen the spirit of Homecoming. The halftime show was climaxed by the coronation of Veronica Light as 1970 Homecoming queen. She was escorted by Sam Borgia and her court consisted of the freshman candidate Judi Susi and her escort Buzzy Scott, the sophomore candidate Marilyn Snyder and her escort Jack Ferringer, the junior candidate Sue McElhatten and her escort John Kutch, and the student council candidate Becky Irwin and her escort Dave Long. Our Knights were victorious over the Grove City Eagles which added to the evening's excitement. This provided an enthusiastic atmosphere for the dance held the next night at the high school.

I like Franklin. It embodies all that is good in a small town: the friendliness of the people and the warmth of the hospitality. But best of all there is the feeling of belonging, of not being a little fish in a gigantic pond.

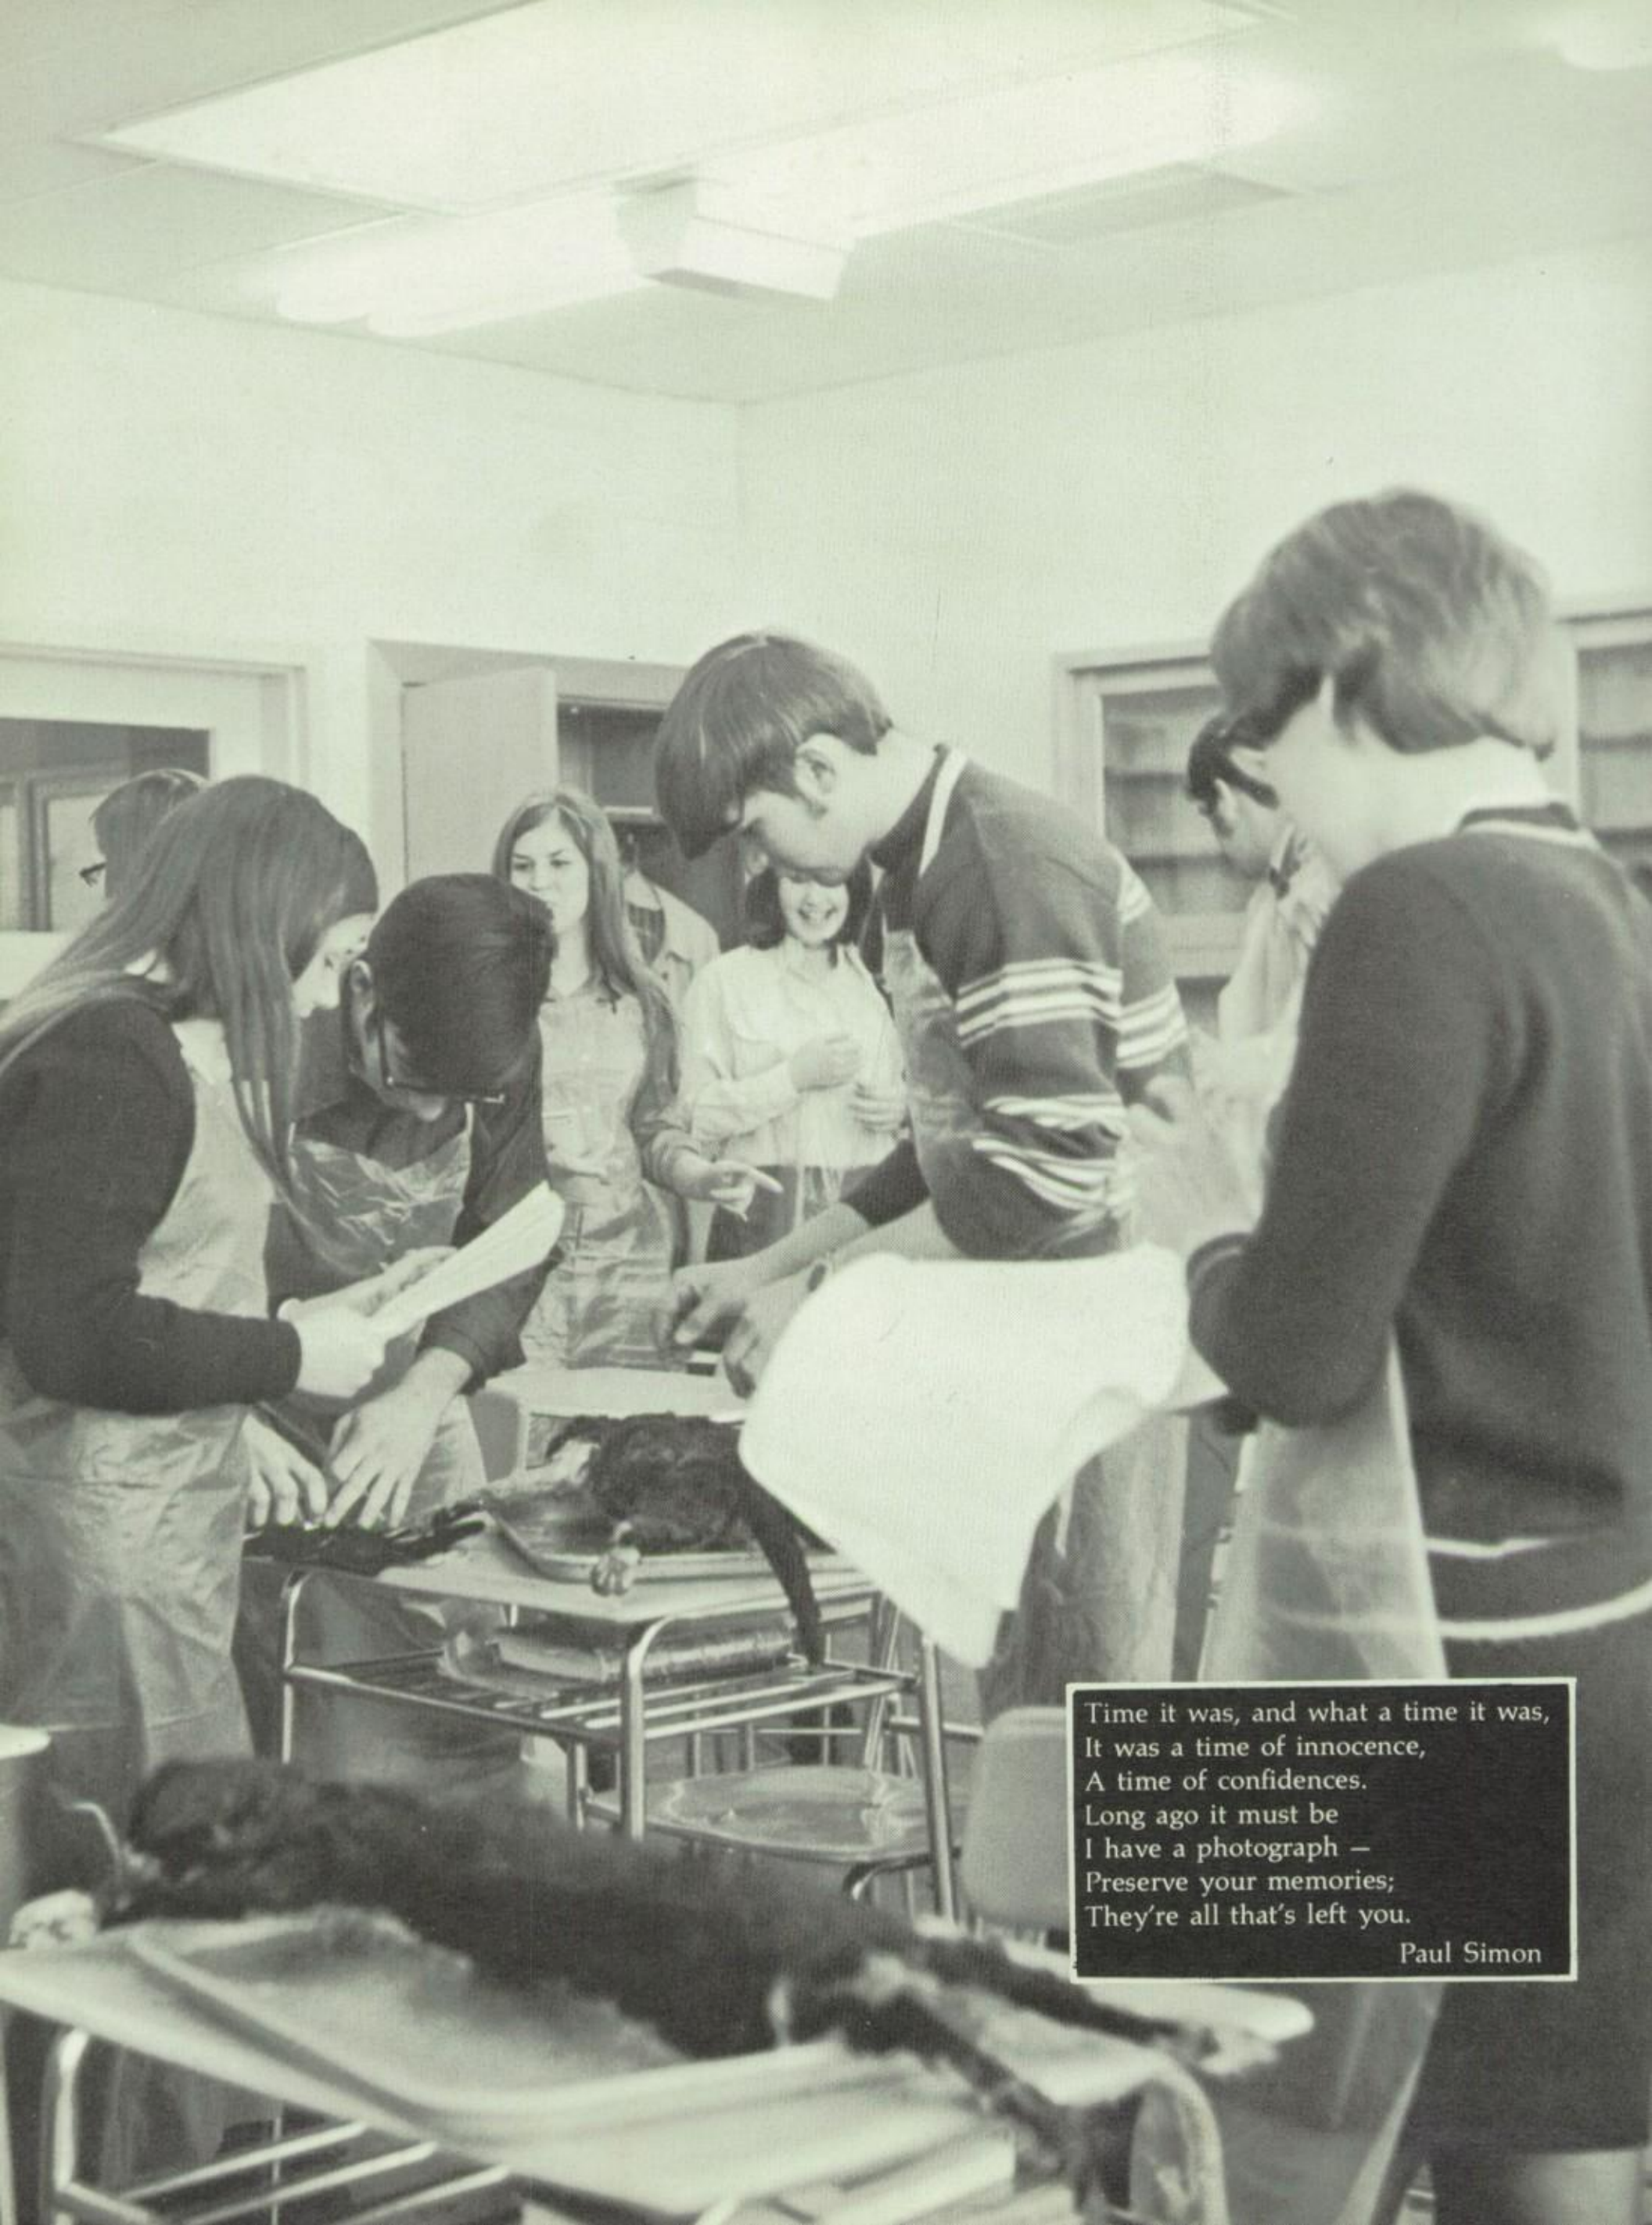
We wish to acknowledge Acy Lee Jackson for the poem on page nineteen and Rod McKuen, Paul Simon, Bob Dylan, Paul Williams and Jimmy Webb for the poetry in this book.



Time it was, and what a time it was,
It was a time of innocence,
A time of confidences.
Long ago it must be
I have a photograph –
Preserve your memories;
They're all that's left you.

Brenda,
Remember all
our great classes
together. Maybe next year
I'll wear my "puppytails", but.
I doubt it. You're a real nice girl,
cute too & you should go far. Good luck
at F.H.S. & with the boys. AFA

Love & Peace,
Sue C. F.H.S.
